Coleen Shaughnessy: Coleen is a natural spiritual intuitive who has been able to receive messages from Spirit since she was a small child. As an adult, after a profound near death experience, which increased her psychic abilities, she began reading for the public.

During her readings Coleen uses her clairvoyant, clairaudient and clairsentient abilities to pass on messages directly from Spirit; for example, Spirit Guides, Angels, Ascended Masters, Animal Spirits and loved ones who have crossed over.

Coleen's goal as a Spiritual Reader is to pass on messages as clearly as possible and to empower you by letting you know that they are there to help you in any area of your life.
